COSTUME CONTEST

(COSTUME CONTEST PRIZES AWARDED TO 1ST, 2ND AND 3RD PLACE)

Each piece of equipment is rumored to be the cause of a death. The barn has become a haven for spirits, demons and entities that have refused to move on from our world. From the ghosts of a former blacksmith who died in a freak accident to lost souls who refuse to leave the property, the Haunted Barn is not a place for the sensitive or weak willed.
