

Village Days

3rd Saturday of month
May - October
10am-3pm
Free

May 19

Native American Fashion: A discussion about what was in style before the colonists got here, and a chance to make your own beads.

June 16

Logs into Lumber: A look at how we prepare our trees for different projects around the village.

July 21

This Old Wigwam: A hands-on demonstration of how we fix and repair our wigwams.

August 18

Gourd Bowls: Did you know that Native Americans grew some of their plates? Come to the Indian Village and try your hand at making gourd bowls.

September 15

Hunting Techniques: A chance to try a variety of Native American hunting tools including bows, traps, and atlatls.

October 20

Mat Making: A hands-on chance to learn one of the most important Native American skills mat making. Mats acted as rugs, walls, roofs, art, mattresses and much more.
